ADDITIONAL DEFENSES

In further answer to the First Amended Complaint, and as separate and distinct defenses to the purported causes of action set forth in the First Amended Complaint, Spherion alleges the following additional defenses. In asserting these defenses, Spherion does not assume the burden of proof as to matters that, pursuant to law, are Plaintiff's burden to prove.

FIRST DEFENSE

(Failure To State a Cause of Action)

1. As to Plaintiff's First Amended Complaint, or any purported cause of action therein alleged, Plaintiff fails to state facts sufficient to constitute claims upon which relief can be granted against Spherion.

SECOND DEFENSE

(Statute of Limitations)

3 2. Plaintiff's claims, in whole or in part, are barred by the applicable
4 statutes of limitations, including, but not limited to, Code of Civil Procedure sections
5 337, 338, 339, and 340 and Business and Professions Code section 17208.

THIRD DEFENSE

(Estoppel)

8 3. Plaintiff, by his conduct, is estopped to assert any cause of action against
9 Spherion.

FOURTH DEFENSE

(Waiver)

2 4. Plaintiff's First Amended Complaint, and each and every cause of action
3 alleged therein, is barred by the doctrine of waiver.

FIFTH DEFENSE

(Unclean Hands)

6 5. Plaintiff's First Amended Complaint, and each and every cause of action
7 alleged therein, is barred by the doctrine of unclean hands.

SIXTH DEFENSE

(Laches)

0 6. Plaintiff has delayed inexcusably and unreasonably in the filing of this
1 action causing substantial prejudice to Spherion and, thus, Plaintiff's claims are barred by
2 the equitable doctrine of laches.

SEVENTH DEFENSE (Res Judicata/Collateral Estoppel)

5 7. The First Amended Complaint is barred by the doctrines of res judicata
6 and/or collateral estoppel to the extent that Plaintiff, any class member or other putative
7 beneficiary of this action has asserted in any prior legal or administrative proceeding that

1 he or she was entitled to unpaid overtime, additional payment for meal periods, and or
2 penalties and did not prevail on such claim.

3 **EIGHTH DEFENSE**

4 **(No Discharge or Quit)**

5 8. Because the ending of Plaintiff's temporary assignment with Spherion
6 does not qualify as a "discharge" under Labor Code section 201, Plaintiff is ineligible to
7 recover penalties under Labor Code section 203.

8 **NINTH DEFENSE**

9 **(No Willful Violation of Labor Code, section 203)**

10 9. Plaintiff's Complaint is barred because Spherion cannot be held to have
11 willfully failed to comply with the requirements of Labor Code sections 201 or 203.

12 **TENTH DEFENSE**

13 **(Good Faith Dispute)**

14 10. Plaintiff is not entitled to any Labor Code section 203 waiting time
15 penalties because a good faith dispute exists as to the monies allegedly owed, such that
16 Spherion cannot be held to have willfully failed to comply with the requirements of
17 Labor Code section 201.

18 **ELEVENTH DEFENSE**

19 **(Due Process)**

20 11. Plaintiff's claims under B&P Code § 17200 *et seq.* violated defendant's
21 constitutional right to due process to the extent the claims do not afford defendant
22 protections against multiple suits and duplicative liability ordinarily provided by class
23 actions.

24 **TWELFTH DEFENSE**

25 **(Non-Certifiable Class)**

26 12. The Complaint does not state facts sufficient to certify a class and this
27 action is not properly brought as a class or collective action.

THIRTEENTH DEFENSE

(Claims are Moot)

13. Plaintiff's claims fail because they are moot.

FOURTEENTH DEFENSE

(Failure to Exhaust Administrative Remedies)

14. Plaintiff's First Amended Complaint and each and every cause of action attempted to be stated therein are barred to the extent that Plaintiff or other putative beneficiaries of this action have failed to exhaust their administrative remedies prior to commencing this action.

FIFTEENTH DEFENSE

(Remedies at Law)

15. Plaintiff or other putative beneficiaries of this action are not entitled to the equitable relief sought insofar as they, and each of them, have an adequate remedy at law.

SIXTEENTH DEFENSE

(Offset)

16. To the extent that Plaintiff or other putative beneficiaries of this action have received other benefits and/or awards attributable to an injury for which they seek compensation in this case, such benefits and/or awards should offset, in whole or in part, any award they may receive in this action for the same injury.

SEVENTEENTH DEFENSE

(Labor Code 2856)

17. The First Amended Complaint and each cause of action attempted to be stated therein are barred in whole or in part to the extent that Plaintiff or any class member or putative beneficiary of this action failed to substantially comply with all the directions of defendant, and such failure proximately caused the alleged losses for which they seek relief.

EIGHTEENTH DEFENSE

(Penalties Unconstitutional on Their Face)

18. If it were to be determined that Plaintiff was entitled to assert claims for civil penalties under Labor Code section 2699 *et seq.* for alleged Labor Code violations, such claims are unconstitutional on their face pursuant to Article I, Section 10, Article IV, Section 2, and the First, Fifth, Sixth, Eighth and Fourteenth Amendments to the Constitution of the United States, and Article I, Sections 7, 9, 15 and 17, and Article IV, Section 16, of the California State Constitution.

NINETEENTH DEFENSE

(Penalties Unconstitutional as Applied)

19. If it were determined that Plaintiff was entitled to assert claims for civil penalties under Labor Code section 2699 *et seq.* for alleged Labor Code violations, such claims are unconstitutional as applied pursuant to Article I, Section 10, Article IV, Section 2, and the First, Fifth, Sixth, Eighth and Fourteenth Amendments to the Constitution of the United States, and Article I, Sections 7, 9, 15 and 17, and Article IV, Section 16, of the California State Constitution.

TWENTIETH DEFENSE

(Reservation of Rights)

20. Defendant does not presently know all of the facts and circumstances respecting Plaintiff's claims. Defendant therefore reserves the right to amend this answer should it later discover facts demonstrating the existence of additional affirmative defenses.

PRAYER

WHEREFORE, Spherion Atlantic Enterprises LLC prays for judgment as follows:

1. That Plaintiff take nothing by his First Amended Complaint;
 2. That Plaintiff's request for an order certifying a proposed class is denied;

1 3. That judgment be entered in favor of Spherion and against Plaintiff on all
2 causes of action;

3 4. That Spherion be awarded reasonable attorneys' fees, as permitted by
4 statute or contract, according to proof;
